ECO CLUB [2026 - 27]

Our School's **eco** club is a fantastic initiative to engage students in environmental activities and promote sustainability. This clubs empower students to participate in meaningful projects that benefit the environment and their communities. Here are some key aspects of an eco club:

- 1. Educational Activities:** Students learn about environmental issues such as pollution, waste management, and conservation through workshops, seminars, and field trips.
- 2. Community Engagement:** Eco clubs often involve students in community projects like tree planting, clean-up drives, and awareness campaigns.
- 3. Skill Development:** Participating in an eco club helps students develop leadership, teamwork, and project management skills.
- 4. Sustainability Projects:** Clubs can undertake projects like creating school gardens, recycling programs, and energy conservation initiatives.
